There are two kinds of transcripts: unofficial student copies and official copies.

Student transcripts
These are unofficial copies that the student can request for his or her own records.

These are sent directly to other colleges and employers. It is the policy of ABIIT not to submit official copies of transcripts directly to students. No official transcripts can be sent to a student's home address. Only a student copy of the transcript can be sent.

How can I obtain a copy of my transcript?
You may obtain an official copy of your academic transcript with the college's seal and signature of the Registrar in the three following ways:
